## CSR Policy

### ***Policy Objectives:***

The objective of the CSR Policy (“Policy”) is to lay down the guiding principles in undertaking various Programs and projects by or on behalf of the company relating to Corporate Social Responsibility (“CSR”) within the meaning of section 135 of the Companies Act, 2013 read with Schedule VII of the Act and the CSR Policy Rules 2014. (“Rules”)

### ***Focus Areas:***

The programs under Nevatia Steel’s CSR policy primarily rest on following broad categories: Healthcare and Education. These programs are aimed at long-term sustainability and inclusive development. With special emphasis on areas around Company’s operational locations, the programs are designed and implemented taking into consideration specific needs of each area.

1. In Education, our efforts concentrate on providing quality learning at affordable cost in rural areas by aiding schools, vocational skill centers and related institutions. We believe in promotion of education, including special education and employment enhancing vocation skills especially among children, women, elderly and the differently abled and livelihood enhancement projects;
2. In Healthcare, our aim is to provide medical assistance to rural underprivileged living in remote village and developing basic infrastructure around government hospitals for people visiting from remote areas.
3. On Selective basis, we contribute to the Prime Minister National Relief Fund or any other fund set up by the Central Government for socio-economic development and relief and welfare of the Scheduled Castes, Scheduled Tribes, other backward classes, minorities and women.

### ***Monitoring and Review***

The CSR Policy shall be periodically reviewed and appropriately revised by the Board of Directors.
